"Colorado Poultry Club Association"

Organization Number: JT719

Troy LaRoche-- I reside in Georgetown Ontario Canada and have been involved in Exhibition poultry since the age of 5. I have bred and kept many breeds of chickens and waterfowl over the years but have specialized in Modern Game Bantams for the past 35 years. I also have kept many breeds of pigeons and species of exotic doves and cage birds over the years.

I obtained my ABA general license in 1996 and my APA general license in 1998. I have judges in 9 Canadian Provinces, 39 US States and the Island country of Bermuda. I have held the office of APA District Director for Eastern Canada as well as APA Director of the ABA several times over the years. I was APA Vice President in 2002-2006 and have served as your ABA Vice president over the past two years. Although the birds are what attracted me to the hobby in my youth, it's the friendships with my bird friends that are more like family, that have made this hobby so enjoyable. I look forward to returning to Colorado to judge your show.

Troy Laroche ABA APA General Licensed Judge.

4H - Junior Show Information

Juniors must bring a separate bird, not entered in either Show, for Showmanship.

Junior show birds will be eligible for open and junior awards. Junior birds will be cooped in with open show birds. The judge will judge all birds in the class for open show. Then the judge will pick from the JUNIOR birds only for junior show awards.

4-H Membership, or CPA membership is not required to enter. Juniors must be under 18 years of age at the time of judging.

Junior show rules will be the same as the open show with the following addition:

All birds in the junior show **MUST** be cooped in, prepped, and cared for by the JUNIOR exhibitor.

We are encouraging more of a hands-on learning experience for the juniors of the fancy. We acknowledge that there are some very young competitors who are new at showing poultry. Therefore, we have some adults and older juniors who can assist the younger junior members in reading coop cards, and learning how to prep birds, etc.

EGG SHOW (full APA guide can be found at amerpoultryassn.com)

Entries will be taken the day of the show only until 12 Noon. Bring three of your best eggs of any color which will go into the classes **DECORATED**, white, brown, chocolate, blue/green or olive. Entries are \$2.50 each or 5 entries for \$10. (3 eggs of same class required per entry)

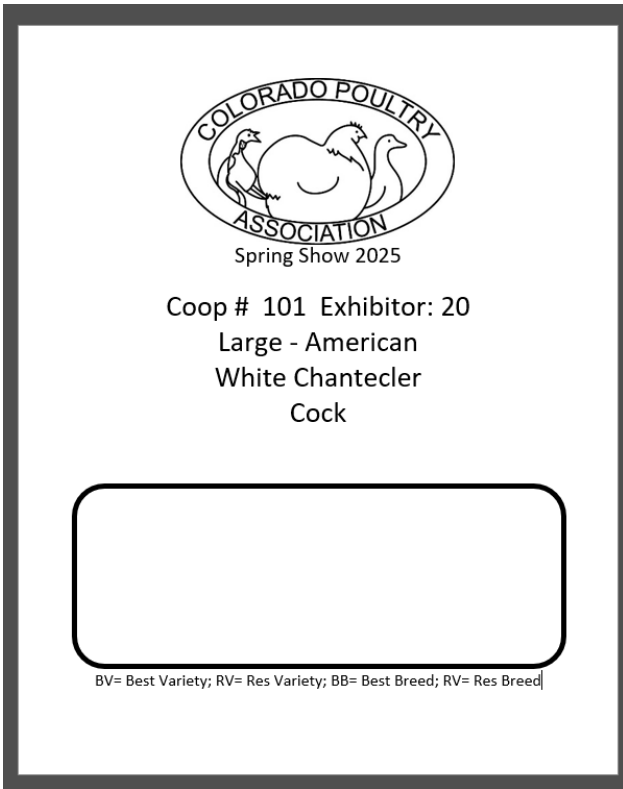

Photo Booth the CPA has a photo booth for all exhibitors to take pictures of birds. All birds making it to champion row will be photographed. This photo booth setup was donated by longtime club member and supporter "Cowboy Bob" Nylander.

BACKYARD CLASS if you have a bird that you just don't know if its show ready. Is this your first show and don't know where to start? No Disqualification's, if it's not in the standard that ok, mixed breeds ok, just mark "BACKYARD" on your entry form under breed. Birds must still be healthy, Bug/Mite free.

2025 Show Dedication

Marilyn Uilk

For over a decade, Marilyn Uilk has been a dedicated member of the CPA. Since 2016, she has served as Vice President, working tirelessly to support the poultry community and inspire future generations of poultry enthusiasts.

Marilyn's journey in the poultry world began with her mother, Marge Ussery, a longtime CPA member and well-respected figure in the chicken community. Marge, who had the 2019 CPA show dedicated to her, was instrumental in introducing Marilyn and her daughter, Maddie, to poultry. While Marilyn grew up in New Mexico with no initial interest in chickens—preferring to show horses instead—her daughter's fascination with Marge's silkies quickly pulled the family into the world of poultry. At nine years old, Maddie became captivated by her grandmother's birds, sparking a passion that Marilyn embraced as well. What started as a shared family interest has since grown into a multi-generational tradition, now known as *Triple 'M' Silkies*.

Beyond breeding and showing silkies, Marilyn is a cornerstone of the CPA. She is always the first to step up—whether leading educational seminars, mentoring young silkie enthusiasts, judging showmanship, or tackling the endless task of washing chickens (which yes, is endless). At any CPA event, you'll find Marilyn setting up, organizing, and staying until the last table is folded. Her dedication, generosity, and hard work make her an invaluable part of the poultry community.

Even after Marge's passing and Maddie's move to Hawaii for her doctoral studies, Marilyn has continued the family's "crazy silkie people" legacy. She still breeds silkies and regularly attends shows, with a special fondness for paints and buffs—colors rich in family history. Marge was known for her buff silkies, and Maddie, having grown up with a paint horse, naturally gravitated toward paint silkies. Yet, for Marilyn, CPA has always been about more than just the birds—it's about the friendships, the camaraderie, and the future of the poultry community. She cherishes the lifelong connections she has made and looks forward to sharing her love for poultry with the next generation, including her future grandchildren.

As her daughter, I can say without hesitation that no one is more deserving of this honor. Congratulations, Mama—you've truly earned it!

With love,
Maddie (& Grandma Margie)
